

SCOPUS

HOW TO CHECK WHETHER A JOURNAL IS INDEXED IN SCOPUS?

1. Go to CPHS Library homepage at <http://library.cphs.chula.ac.th>, click on Scopus

2. click > Browse Sources <

3. 1) **Search:** Search for a source by title, publisher, or ISSN
- 2) **Browse:** Browse for the source list based on subject area, source type, subscribed or non-subscribed sources, Open Access journals, or use the alphabetical browse

Only serial source titles are included in this list. For non-serial content such as books and monographs, please use Document Search.

Journal information

SJR = SCImago Journal Rank is weighted by the prestige of a journal. Subject field, quality and reputation of the journal have a direct effect on the value of a citation. SJR also normalizes for differences in citation behavior between subject fields.

IPP = Impact per Publication (IPP) measures the ratio of citations per article published in the journal.

SNIP = Source Normalized Impact per Paper measures contextual citation impact by weighting citations based on the total number of citations in a subject field.

Journal Metrics

Scopus Journal Metrics offer the value of context with their citation measuring tools. The metrics below allow for direct comparison of journals, independent of their subject classification. To learn more, visit: www.journalmetrics.com.

SJR (SCImago Journal Rank) (2014) : 0.863

IPP (Impact per Publication) (2014) : 2.167

SNIP (Source Normalized Impact per Paper) (2014) : 1.268

SCIMAGO INSTITUTIONS RANKINGS

About

The SCImago Journal & Country Rank is a portal that includes the journals and country scientific indicators developed from the information contained in the Scopus® database (Elsevier B.V.). These indicators can be used to assess and analyze scientific domains.

This platform takes its name from the SCImago Journal Rank (SJR) indicator, developed by SCImago from the widely known algorithm Google PageRank™. This indicator shows the visibility of

⇒ Journal Ranking

1. 1) Click > Journal Ranking <
- 2) Use Ranking Parameters to narrow the result form the following options; Subject Area, Subject Category, Region/Country, Order By, and Display Journal
- 3) Click > Refresh <

The screenshot shows the SJR website interface. A red box labeled '1) Click here' points to the 'Journal Rankings' link in the left sidebar. Another red box labeled '2) Use Ranking Parameters to narrow the result' points to the 'Ranking Parameters' section, which includes dropdowns for Subject Area (Medicine), Subject Category (Health Policy), Region/Country (All), Order By (SJR), and Year (2014). A 'Refresh' button is also visible. A third red box labeled '3) Click here' points to the 'Refresh' button. A fourth red box labeled '4) Click on Journal Title to view the journal information' points to the first journal entry, 'Alzheimer's and Dementia'. A red box labeled 'SJR value & Quartile' points to the SJR value (5,129) and Quartile (Q1) for the first journal.
